ABOUT ME

I am a fourth-year Computer Science student at Bangkok University, passionate about Front-end development and web/application development. I have skills in HTML, CSS, JavaScript, UI/UX design, and problem-solving. I am eager to learn new technologies such as React, Flutter, and responsive web design through this internship, and I am committed to fully supporting the team's work.

EDUCATION

2022-2025 **BACHELOR OF SCIENCE | COMPUTER SCIENCE**
Bangkok University

- Relevant Coursework : Data Structures & Algorithms, Software Engineering, Database Systems, Computer Communication Networks, Web Development, Cloud Computing, Cybersecurity, Application Development
